Disclaimer: Dude! The only thing I own on this page is this absolutely uncreative disclaimer, and the unofficial copyright to this incredible unimaginitive parody! This was written by a high school Freshman with WAAAAAAAAAAAAAAAAAAAAAY too much time on her hands.

At the Begining By Armandle

Thrawn: We were strangers starting out on a mission. Full well knowing what we'd have to go through. Now here we are, and I'm suddenly standing at the begining with you.

Pellaeon: No one told me you were going to find me. Unexpected, what you did to my heart. When I lost hope, you were there to remind me This is the start!

Both: And life is a road and I wanna keep going. Love is a river I wanna keep flowing. Life is a road- now and forever. Suicide journey.

I'll be there when your heart stops turning. I'll be there when the war is through. In the end I wanna be standing at the begining with you.

Pellaeon: We were leaders on a crazy adventure. Never dreaming how our dream would come true. Now here we stand- (un)afriad of the future- At the begining with you.

Both: And life is a road and I wanna keep going. Love is a river I wanna keep flowing. Life is a road- now and forever. Wonderful journey.

I'll be there when the world stops turning. I'll be there when the storm is through. In the end I wanna be standing at the begining with you.

I knew there was somebody somewhere Like me alone in the dark. Now I know the meaning of love- I've been waiting so long, Nothing's gonna tear us apart.

And life is a road and I wanna keep going. Love is a river I wanna keep flowing. Life is a road- now and forever. Wonderful journey.
